PBCC Jr. High
2010 FAST 4 HUNGER
A Time to Help Raise $$ for VisionTrust

Our goal in our ToHu ministry at PBCC is to look more and more like Jesus everyday. To that end, we desire to serve and show the same kind of compassion that He showed to the less fortunate. Therefore, we have begun sponsoring students in Africa (Liberia) for $35/month. The $35 covers discipleship, education, food and medical care. These students will be sponsored through an organization called VisionTrust (http://www.visiontrust.org/). Our plan at PBCC is for each Jr. High grade to sponsor a student (in the same grade) and keep sponsoring that student until they graduate from high school.

On an average day, it costs $_____ for me to eat!

I'm pledging this amount on Saturday November 13 to give to VisionTrust. Will you join me?
